DEDICATION

This twenty-first volume of Bluejacket is respectfully dedicated by the graduates of the classes of 1939 and 1940 to the Officer Personnel of our High School R. O. T. C. Corps in appreciation of their efficient and successful services.

We extend a reluctant farewell to Major Howell E. Hanson, U. S. A., who has been instructor ever since the Corps was formed and who has been transferred by order of the U. S. War Department. Our best wishes go with him to his new location.

Our appreciation is hereby expressed to Mr. Henry J. Applewhite, who has created our splendid High School Band, the best in the entire State of Georgia.

We are glad that our efficient Technical Sergeant, John A. Leipold, who has been our mainstay for several years, will remain with us.

Sergeant Walter E. Newmann, will be welcomed as a new-comer and has our best wishes for a long term with our school.

"The Eternal Creed"

In the heart of every American is an endeavoring desire to obtain his pursuit of happiness. In his mind is the lust to be successful in his own particular field. But this pursuit of happiness and success shall never be obtained if a man forgets what was in the hearts of his forefathers. In their minds and hearts was the one desire of a great and free nation bounded by liberty and righteousness. We cannot and will not honorably pursue our cause if we overstep these bounds. Come what may to each of us, but forever let the honorable pursuit of happiness of our forefathers be our unforgetable guidance toward our own happiness.

UPON GRADUATION

There's a gleam in his eye
And a smile on his face:
If you were to try,
You could not take his place.

For the moment is dear,
As he stands on the stage:
He has nothing to fear,
As he turns this great page.

Life is so sweet to him,
Each day that goes by,
He's granted each whim:
There're no clouds in his sky.

Who is this boy?
You are likely to ask.
This bundle of joy,
Just beginning his task?

He's the boy you all know,
He may rule the nation.
But this is his show,
His own graduation.

CLASS HISTORY

Backward, turn backward, oh, Time, full of leaves,
And roll the years back to 1937.
Half of this year, wanderers were we
In our own dear old Chatham Academy.
Ancient she stands, shedding beams of past fame,
In sports and in scholarship she's made a memorable name.
Remember the day when we marched through the street?
Remember our victorious G. I. A. A. meet?
I'll bet you don't remember your first Benedictine-Hi score,
But I'll wager there's traced in your mind what you wore.
High was our school spirit—it came pretty nigh
To what we now feel for our new Savannah High.
In February it was that we came to this jail,
And with awe and pride our new cooler did hail,
Our Warden is grand—we like him a lot.
He's awfully nice, and then, oh, oh, he's not.
You know, it's no secret, an ex-C is he,
Not convict, you dopes, but coach, don't you see?
Everything new—coach, principal, school clubs galore,
Cross Sabre, Electric, "S," and some more.
In answer to the Call of the P. T. A.
The Student Committee was formed right away.
A social for the Grads every year they finance,
Thursday, Thursday, come on, students, le's dance.
1938—full of fun and good cheer,
At last we're seniors—we've climbed to the top,
But fall we might if we're not on the hop!
The stag line is broken, a girl leads us now,
Come on, Henrietta, and take a big bow.
Classes interrupted, a noise do we hear,
Oh, boy, it's more radio debuts on the school of the air.
Surprise on top of surprise—music's afloat,
It's the Nova Chord—BoBo you have our vote.
Another surprise—the Warden's to be hitched,
Oh, Warden, we're hoping that you don't get ditched.
Last but not least we have, we have the Grads annual event,
The P. T. A. banquet to which we all went.
Now let's have a toast and then we'll be through
Writing this class history—Hallelu!!
Heres' to the class that's on the top,
Here's to the kids who're on the hop,
Here's to the class that's nice but naughty,
Here's to the class of 1940.

CLASS PROPHESY, JANUARY, 1940

— by —

ELEANOR BUCKNER and JOHN HOOD

Seated at my desk at the Savannah Chronicle, in the year 1950 I happened to find on my desk an invitation to the Class of 1940's Reunion which is taking place today. My word! I grabbed my hat and Elizabeth Kincey who worked with me. We caught a taxi and who do you think was the driver? John Hood. We told him about the reunion so he parked the taxi and came in with us. We hurried up to Mr. Swayne's room 305 and there found the loveliest blonde I've seen in ages, arranging flowers on the desk. It was Henrietta Wolfe (or rather Innecken), our class president. She started right away to tell us about the growing of flowers, when who should walk in but Carlyle Smith, a full fledged doctor. He had grown a mustache. He was closely followed by Billie Ruth Anchors, who was dripping in furs. She staited to tell Carlyle about her success on the stage (remember her in Fun, Fact, and Fancy) and Carlyle Smith started at the same time to tell about his success in getting Miss Margaret Furse's tonsils out. Just about this time we heard a commotion down the hall and looked out to see Maud West making everyone laugh as usual. With her were Jo Beth Huff, who is now a big Broadway producer; Henry Pike, a famous Chemist, Mary Arnette, who is also a famous chemist, and Jacqueline Peck, the hair dresser. Dottie Parnelle who is just back from Egypt where she has been digging up skeletons. Ralston Woods came in then and he tells us he is dancing instructor at "Wood School of Dancing for Young Ladies." By the way he is still an eligible bachelor. Two other eligible bachelors have arrived, Sammy Sikes and Webb McTeer. I have heard rumors that a certain brunette is after Sammy. Or is it vice-versa? Well as time goes on you do get mixed up don't you? Mary Ella Berry and Louise Hennings came in with Julius Shoob and Tony Carellas. Mary is singing on the stage now and starring opposite Billy DeLoach. Louise is a trained nurse. I see Annette Baker, Linda Bryan and Carolyn Garrick in a huddle talking over old times. Annette has taken Helen Moodys' place. Linda and Carolyn have one eye on the bachelors. I guess I had

better start looking that way too. Elizabeth says she'll start with me. Joe Berg and Richard Wallace stroll in. They're both married to lovely girls from away and have good jobs. Martha Soissa comes in alone, but is still as popular as ever, for all the boys rush over to her. I heard she was married to Peyton Mayo. Eleanor Denmark and Louise Gordon come in with peals of laughter. Louise is a radio commentator just back from Europe. We asked her how things look in Europe with the war still on and she says it looks rather upset. Eleanor is a mannequin in some store, in New York. All of us are pleased but amazed to find four presidents in our midst. Joe Klingon, president of a toy manufacturing Co.; Ralph Harms, president of a wig company; Joe Inglesby, president of the Board of Education and Copeland Rhodes president of a ladies lingerie manufacturing company. Merle Floyd is secretary to Paul Brixhoff who is half owner of a mattress company. Hubert Clark owns the other half. Terrell Tuten has a large man's department store and Doris Bissett is his head Clerk. Margaret McLeod tells me about her chance to go to Hollywood but can't give up Harley. I find Walter Thee is doing quite well with his package shop. He tells me that Jimmy Hoynes, Fred Lightsey and Sibley Durant are regular patrons. Constance Lucas is also a great opera singer in New York. Pauline Oglesby has charge of opera scenery and sets. Eloise Babin comes in wearing a detective badge for the government. Annette Hinely is married to a professor she studied under at college. Julius Shoob is still looking for the time and gasoline he lost back in 1940 carrying the seniors on errands. Jack Dressel is the chief engineer of a W.P.A. Construction. He says Betty Street is always around trying to get a story on the construction for her newspaper. Dorothy Dugger is now Mrs. Billy Ketchum. Harold Shuman, their butler, says they get along quite nicely together. I saw some one standing over in a corner with a gloomy look on his face. Going over to him I found it was John Cook, who is still a candidate for graduation. Eddie Lewis and Clare O'Reilly are the stars of a kiddie hour sponsored by Wendell DeLoach's "Dof Biscuits." Oh my goodness! the time! I'll lose my job if I don't get back to the office. Come on Elizabeth. Where's John Hood and that taxi. Bood-bye until our next reunion.

JUNE CLASS HISTORY

— by —

BETTY ROBERTSON and GEORGE CARLOCK

The history of the June class of 1940 is a most illustrious one, and while we know it isn't considered good form to indulge in self-praise, there's a time and a place for everything. Here are the facts, you may draw your own conclusions. We are, first of all, the largest class ever to graduate

from the Savannah High School, with or without the commercial department included. Then, too, did'nt we spend our whole high school career in the million masterpiece with the Warden as our "Papa"? And we defy anyone to equal our record of being the first and only June Class to graduate in May!

There were many noteworthy events crowded into our regime, and it is fitting that we record a few for posterity.

Do you remember when—(1) The Thursday afternoon jitterbug jamborees

started us all to swinging? (2) The Student Committee got off to a flying start and donated benches to rest our weary bones? (3) The Mid-Term Hops, and Harvest Dances gave us a chance to swing and sway the Savannah High way? (4) The U. S. S. Savannah visited Savannah and the school children collected their pennies to present her with a beautiful silver service?

(5) Spring Swing started the custom of having Miss Savannah High chosen from the sponsors of the various school organizations? (6) Alfred T. Vick, Jr. was brought into the world, and Mr. Vick became a proud papa

exhibiting pictures to the teachers and students? (7) The beautification of the school grounds finally became a reality? (8) The basketball team overcame the jinx and brought home the well known bacon in the form of a third place trophy of the G. I. A. A.?

AND WHO COULD FORGET THE DAY WHEN MR. VARNEDOE TOOK UNTO HIMSELF

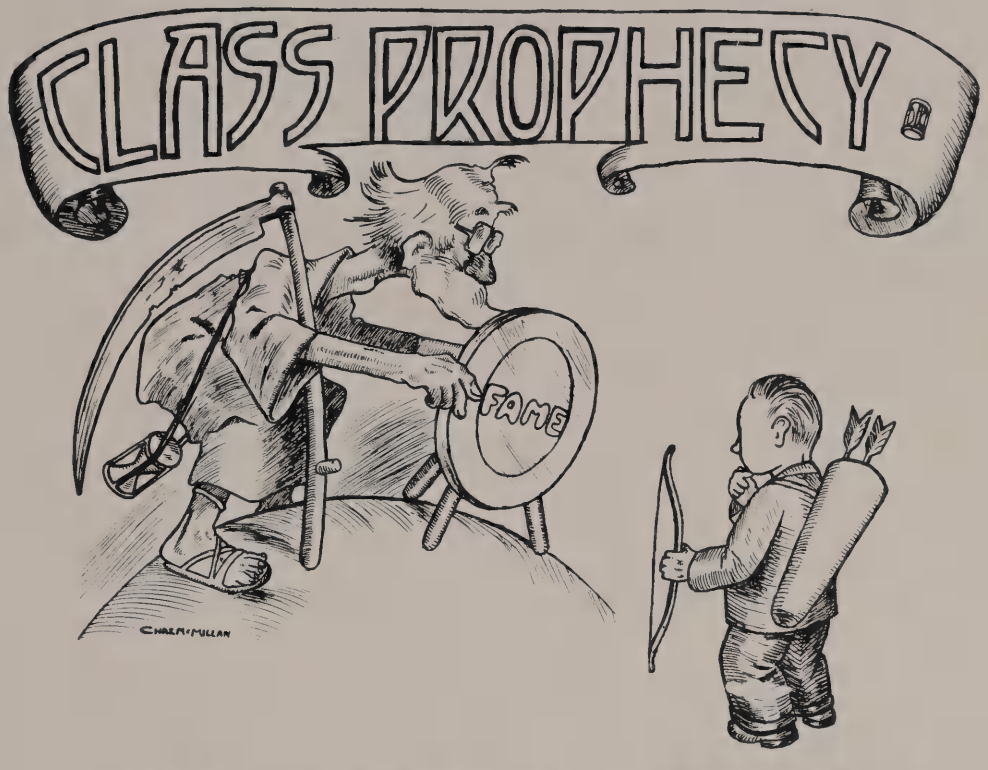

A WIFE AND THEREBY RUINED MANY A MAIDEN'S DREAM?

In the words of that Chinese chatterbox, Confucius,

"Man who stay too long wear out welcome," so here endeth the record of the great and glorious class of June, 1940.

JUNE CLASS PROPHECY

Dear Diary, December 23, 1950.

What a jolly prospect for Christmas; It's really going to be hard to be faithful to you for the next week. I arrived in Savannah this afternoon to spend the holidays, ten years after my high school graduation. I am staying in a hotel to be entirely independent of everyone. I came prepared to find anything, and I'm really finding it.

First, my cab, driven by Charlie Chappas, was stopped by some elaborate procession up town; and I, intending not to miss anything, saw a line of open cars adorned by flags and bright paper in the first of which was the Honorable Lindsey P. Henderson, Jr., mayor, waving his hat and nodding affably to everyone. By his side was Ernest Tiedeman, Governor. A band, led by Alfred Conway and striking a lively tune followed. Humph! Not a bad start. So—on to the hotel, where Austin Wade was desk clerk. At last in my room—a bath—a nap—but, alas, my refreshing slumber was rudely interrupted by a nearby soprano voice leaping nimbly from one ungodly high note to another. "At any time but this," I groaned and rushed over to the door of my offensive neighbor. I knocked firmly, and the door was promptly opened by my very good old friend at high school, Helen Kibler. A timid confession and delightful reunion. She sings in New York and is visiting here, too. My nap really being necessary, we parted soon after making plans for an evening together.

We met at six for dinner, took the elevator downstairs, strolled through the lobby, and encountered a congenial group of old friends chatting away after a journalistic meeting. Anne Harms is the first woman editor of the *Morning News*, Ruth Schur is the society editor, and Bill Sharp writes mystery stories. Oh, yes, Vera Bennett writes sob stories. Elinor Rees edits a church bulletin for the southeastern states.

Tearing ourselves away, we barged into the dining room. At the next table were Julia Storer, Marguerite Gillespie, and Lucy Dodd, all of whom beamed brightly upon us and beckoned us to their table. Julia teaches English at Podunk University and has become very outstanding in summer tennis tournaments. The other two have joined the forces of their creative genius in designing clothes. They shared with us some spicy bits of news about Dot Newton and her quaint little Dutch Tea Room, Kitty Maner's elopement (she's believed to be in Italy), Utevia Parrish teaching Home Economics, Betty Robertson's knitting shop, Vera McIntyre's travels in Mexico (fascinated by bull fighting and gay senores), Jack Dinnerman (I mean Archibald Casanova), an idol of matinee, Jack Rhodes, an authority on coiffures, Annie Laurie, a local pharmacist, Kathryn Hendricks, singing hymns over the radio, and ever so much more! At a nearby table sat Men-of-Leisure Edward Bright and Alan Heyward trying to look wise over glasses of champagne.

We all started out on an expedition uptown, but I can't possibly tell of that now.

Dear Diary, December 24, 1950.

Today I made a last-minute shopping tour as my gift list had become somewhat enlarged. Result: loads of interesting discoveries and few gifts bought after all. I must tell you about it. It was mostly a matter of signs on doorways like: Dr. Harry Kaufman, Dentist—Helen Giradeau, School of Dancing—Walter Coolidge, Photographer—Gene Wolf's Gift Shoppe—Dr. Harry Cowart, Chiropractor—Mlle. Neca Flood,

Palmist—Billy Parr's Hot Dog Stand—Roy Morehouse, Printer—The Jean Jordan Marriage Bureau—Bob Horn, Lawyer—Signor Martin Tilson, Magician Performances—Mlle. Olive Dowdy, Hypnotist—on and on, but that's the general idea.

Tonight my neighbor and I went to a movie to see Bennie Will's latest comedy. Upon returning, I made several phone calls to line up plans for next week, turned on the television to June McCarthy, popular blues-singer, and then read part of Kathryn Hardwick's latest novel. Tomorrow's going to be a big day.

———o———

Dear Diary, December 25, 1950.

Quel Noel! My day was filled with a round of calls and cocktail parties. New friends everywhere—Ellen Arnold made her way to the goal she set for a career of dramatics—Jeanne Brogden designs the dippiest hats of the day—Winnifred Fulghum teaches in grammar school—Marjorie Sheffield teaches music—Fred Schwitz finished at Annapolis, organized a crew of his own, and set out on an expedition to discover a new continent. Naju Kolgaklis is exploring African jungles—Gillie Helmken designs glass houses—Alvin Landy has a huge department store where Elaine Gottlieb, Alice Zerman, and Rosalie Hannon each run a department—Robert Sheperd moves. Now I'm dead tired and must snatch some sleep.

———o———

Dear Diary, December 26, 1950.

I flew to Paris this morning to get a gown for the Bruce-Laird wedding tonight, and there awaited a wonderful surprise for me. Elinor Stiles was having a wedding gown made! Her fiancee is the Russian Count Adolph Stootootski.

I just got in from the wedding. It was beautiful. Allen's best man was Harvard Pitts, and Edna Sheppard was Frances' only attendant. Rev. Kirk Nesbit performed the ceremony. Incidentally, the bride wore red. That's just like Frances, isn't it?

———o———

Dear Diary, December 27, 1950.

I must tell about tonight. It was wonderful! Betty Schaupp of the All Star Concert Series gave a brilliant program at the auditorium. The place was packed. Afterward, Augusta Montague gave a lovely reception in Betty's honor. Gangs of old friends turned up. Instinctively, they have returned home after these ten years from all corners of the world. Ten years is like a milestone, (I believe). Some have been content to stay in Savannah. Anyhow, among the guests tonight were: Catesby Jones, he's still waiting for something to turn up, (like Mr. Micawber); Frances Mayhew, Maurice DeLoach, who is in the diplomatic service in South America, Lorraine Barton, Louise Mannion, Audrey Newton (she has a dandy Police Court record for breaking traffic laws), Lucille Guerrard, who married a country minister and efficiently manages her numerous activities, and Viriginia Wynne who runs a kindergarten.

———o———

Dear Diary, December 28, 1950.

I had the biggest thrill of my life today. We flew to Monte Carlo for the opening of the most exclusive night club of the twentieth century. My friends had made reservations three months ahead, and Celebrities from all over the continent were there.

We had tables near the orchestra which was under the direction of Joseph Wall. I felt very important when I went up to speak to him.

Then all the lights went out, except on the stage which was occupied by the singer, introduced as Barbara Trill. I thought I recognized her. Then, having heard that she was from Savannah, her name came to me all of a sudden—Marjorie Kennedy, of course. I went to school with her. I was nearly overcome. It was altogether a lovely evening.

———o———

Dear Diary, December 29, 1950.

Jane Bulcken had a luncheon at her new glass-brick house, which is very attractive. The party was given for Pamela Hyrne who has just arrived for the holidays. She still lives in Columbia, having made a very successful marriage. Savannah is her adopted home.

I really enjoyed seeing my old colleagues, Mardi Purdum, Elizabeth Ogletree, and Harriet Martin. As there always has to be some water on the fire, Pat Watson supplied it this time by throwing bricks at the glass house all afternoon.

I hate to think of leaving tomorrow, but it must be done.

Oh, yes, I heard some of the oddest things about the people I used to know. Jane Bowden, for one, became a farmer's wife, and now she happily raises chickens and sells eggs. And Miss Smith, dear old class mother, was made such a nervous wreck by the little wretches at high school that she had to go to Southern France to bask in the sun and to regain her health. She, affected by the mirage created by the Provencal sun, was so charmed and lured by life of imagination and exaggeration and in which the ideal comes true, that she refused to return. Rurolph Brushwood, in a heat of inventive inspiration, made an ultra-modern balloon; but, alas, at its first trial, the thing rushed up into space, disappeared from sight and as far as is known today, Ruddy is still sailing around in atmosphere, and his policy of "Rise and Shine" came true.

Likewise, Billy Summerell became so light-hearted after graduation and developed such high aspirations that he, too, floated up into space, but took an ethereal position on a cloud to direct airplane traffic.

Hence, my children, air castles may not be only dreams.

THE END.

BAND

By CAPTAIN FRANCIS M. WATERS

The Savannah High School R. O. T. C. Band, organized in August of the year 1936 consisted of but twenty members. It made its first appearance at the luncheon of the Rotary Club September 15, 1936. This band grew steadily and performed frequently. In 1937 it won the state contest, in which bands from the state of Georgia participated; it also won in 1939. That the R. O. T. C. Band is where it is today is due not only to the hard work of the boys in the band, but also to the splendid direction and tireless efforts of Mr. Henry J. Applewhite, the conductor.

Our band today is recognized as the top rank marching band in Georgia and known throughout the south. It consists of eighty members. At the beginning of the semester the band was divided into two bands, the regular band and the concert band. The concert band is made up of forty-five of the more talented and skilled members and has given numerous concerts and has won the admiration of many. The regular band is made up of all the boys in the band.

Much of the progress made by the band may be traced to the generous assistance of the late Major Henry Blun.

The band played for both inaugurations of the Governor, E. D. Rivers, in Atlanta.

THE PURPOSE OF
R. O. T. C.
IN THE SAVANNAH HIGH SCHOOL

By CADET COLONEL WILLIAM F. SUMMERELL

The primary purpose of the R. O. T. C. in the Savannah High School is to lay the foundation of intelligent citizenship by including in the cadet habits of posture and deportment, leadership, respect for, and loyalty to constituted authority; secondarily, to prepare him for further military instruction which will qualify him for a position of leadership in time of national emergency, and to provide the nation with an electorate, informed of the purpose and necessity for a sane policy of national defense.

Our unit has continued to grow until it now numbers six hundred and thirty-five, including the band, a fact of which we are justly proud.

The annual federal inspection is to take place on April the eighteenth, and we fully expect to maintain our honor rating which we secured last year and the year before that.

I hope that the R. O. T. C. Unit will become larger and better as the years go by, and to my successors I wish the best of luck and a snappy 'Pass in review.'

ACTIVITIES

G. I. A. A. DEBATING TEAM

First row, left to right: Ned Steele, George Carlock, Elouise Wyatt, Kathryn Hendricks, and Billy Parr. — **Second row,** left to right: Billy Smith, Stephen Harris, Stanley Robinson, and Miss Lorena Smith, director.

By GEORGE CARLOCK

This year the Debating Team has a hard job to do: To defend the G. I. A. A. title and cup that it won last year.

This cup was offered by Lanier High of Macon last year and after a hard fight our Team won it. This year we won again and we keep the cup.

This year is the first one in which we have had girls on the team, but the two which are with us proved themselves so well up in the art that they are both first class debaters.

Zeke Gaines, Chester Warner and Alton Beale are the orators for the team this year. Beale and Warner have proved their worth by placing, Warner first and Beale second, in the American Legion Contest, while Warner placed first in the State and went to Nashville and Little Rock for the regional and sectional. In Little Rock, Warner achieved 497 points out of 500, the winner having 498. Gaines proved his worth last year when he helped us win the G. I. A. A. cup.

Lanier, Boy's High, Richmond Academy, Commercial High of Atlanta, and several other schools have entered the contest this year and we had to work hard to keep what we had already won.

THE HI-Y CLUB

President	Robert J. Shepherd
Vice President	Martin Tilson
Secretary	A. Joseph Klingon, '39, Elmo Weeks, '40
Treasurer	Pat Watson

By J. R. SOWELL

The Hi-Y Club is a group of boys who believe in improving the school and community by applying to their daily lives the principles of the Club, namely, Clean Speech, Clean Sports, Clean Scholarship, and Clean Living. Far from being just another club, the Hi-Y group is one of the most active organizations in the school and in Savannah. Weekly meetings are held at the Y. M. C. A. throughout the school year. New members are voted into the club twice each year, and the high quality of the membership is made evident by the fact the leaders in the Hi-Y Club are also outstanding in school affairs.

One of the social highlights of the year was the mammoth hay-ride given by the members and friends of the club. At this affair one hundred students and co-eds attended. Other activities sponsored each year are: Distribution of baskets on Christmas and Thanksgiving, Annual Father and Son Banquet, Annual Mother and Son Banquet, and other social and civic activities.

While engaging in all activities of school, members keep in mind the purpose of the club: "To create, maintain, and extend throughout the school and community high standards of Christian living."

CROSS
SABAR

CROSSED SABAR CLUB

By GILBERT HELMKEN

This club was organized by a progressive group of officers in October of 1938.

Although the club had a small beginning, it has grown until we now have a membership of twenty officers, a constitution and by-laws by which the club functions.

The club was organized to provide for a better understanding among the officers of the cadet corps.

A few of our activities during the past year include a hay-ride to Jenk's Bridge, and a dance given at the Shrine Country Club.

Although the club usually disbands for the summer, we have rented a cottage at Tybee for the season and intend to stay in operation during vacation.

The officers of the club are:

President - - - - - - -	Major Sidney L. George
Vice President - - - - - -	Major Gilbert M. Helmken
Secretary - - - - - - -	Colonel Wm. F. Summerell
Treasurer - - - - - - -	Captain Robert S. Shepherd

We all wish a cheerful, but sorrowful good-by to the graduating members of the club and invite them to return and visit with us at any time.

The Blue and White of 1941 had a definite shake-up and change. In place of the many heads, the staff is now composed of only four editors. Jean Jordan and Carson Demmond preside as co-editors, and Barbara Sutlive and Macon Parrish serve as feature editors. Mr. B. D. Hodge replaced Miss Martha Youngblood as faculty advisor.

For the first time in Savannah High history, the Editors published an April Fool's or Razeberry issue.

The Business Staff, headed by Gloria Kicklighter made a splendid and excellent record.

Frances Bruce was elected as the Blue and White sponsor for the Spring Swing.

Before the beginning of school (September '39), a paper was issued with only three day's notice During this time Roy Morehouse was Editor-in-Chief of the Blue and White.

Much thanks and appreciation go to Mr. Hodge from the editorial staff for his untiring and endless services to the paper. Also Mrs. Javetz and Mr. Vick contributed in valuable services.

Piano-Voice Club was organized in September, 1939 for the purpose of giving the musical-minded students a chance to develop and display whatever musical talent they possess.

With the guidance of Mrs. Ethel Copps, the club has helped in forwarding music appreciation among the students and there has been a constant increase in membership.

When the Georgia Educational Association sponsored radio programs for Savannah High School, the Piano-Voice Club was frequently asked to provide the musical talent for the program.

Although the club has been organized only nine months, its splendid record has created a feeling of pride among its members and a sense of respect among others.

By AUGUSTA MONTAGUE

The Savannah High School Girls Tennis Club was formed this year under the direction of Mrs. Cora Middleton. The officers elected were: President, Kathleen Harms; Vice President, Elinor Rees; Treasurer, Mary Williams; Corresponding Secretary, Jean Thompson.

Two Elimination tournaments were held with the following results. In the fall tournament: Kathleen Harms, placed No. 1, Annette Baker, No. 2, Julia Storer, No. 3, Elinor Reese, No. 4. Kathleen Harms received a gold medal, and Annette Baker received a silver medal. The Spring tournament resulted in: Elinor Rees, No. 1, Mary Williams, No. 2, Julia Storer, No. 3, Kathleen Harms, No. 4. The name of the No. 1 player was engraved on the cup in the club's possession.

Several matches were arranged with a number of other schools in Georgia.

The beginners of the club were coached by the more experienced members to improve their game as they will be the future girls tennis team of S. H. S.

By MANAGER JACK RHODES

This year's Geechee Gators started their swimming practice by cracking the ice early in February, trying to uphold the reputation of the 1939 squad, which was G. I. A. A. and G. H. S. A. champion. Coach "Cocky" Ellis started his boys practicing early to overcome the handicap of losing two G. I. A. A. title-holders, Jimmy Hoynes and Fred Lightsey, breast stroke and 220 yard style champions, respectively.

Back in the groove are the Weeks brothers, Elmo and Billy as Captain and Alternate Captain, they capably hold down the backstroking department of the team, assisted by Edward Bleakly, John DeMars, Charlie Chappas, and W. Falk. Diminiuitive J. B. Bragg, 1938 diving champion, returns to the high board this year.

Several promising newcomers are the "Mighty Mite" Leonard, "Junior" Edwards, Watson Cordes, Allen Douglas, Colon Lanier, and Jack Bright.

The Gators lost their first meet to G. M. A. in Atlanta because they lacked experience. The meet was lost by the small margin of three points, the score being 30 to 27. After days of practice and training, the Gators entered and placed third in the Coastal Empire Swimming Meet, in which several of the best swimming teams in the South participated. The next meet is with Sumter High School in Sumter, S. C. Then they match fins with Bolles Military School of Jacksonville, and finally journey to Atlanta for the G. I. A. A. Meet, May 11 and 12.

The Girls Swimming Team of Savannah High is an athletic group open to all girls of the school.

Practice is held daily for girls who enjoy this activity and are willing to co-operate in making the team a credit to our school. The Hotel De Soto Pool is used daily for practice during the spring, and the Y. W. C. A. pool is used during the winter.

Swimming meets are held with out-of-town teams and many exhibitions are given.

Excellent training and instruction is given the girls, and there is no cost to the members of the team.

The staunch loyalty of the girls on the swimming team has made it an outstanding and lasting activity of High School.

BOXING TEAM

The 1940 S. H. S. Boxing Team coached by Robbie Thomson closed a very successful season with five wins out of six tries.

The team this year was ably captained by Pearson DeLoach and alternate captain Edgar Robertson, who spurred the team on to victory.

Coach Thomson is anticipating a very successful season in '41 even though Pearson DeLoach, Edgar Robertson, Cameron Mixon, Ira Morris, and "Snipe" Lanier are graduating.

The Boxing season was marked "Finis" on March 29th with a banquet and a dance, at which time DeLoach, Robertson, Lisle, Rich, Henderson, Overstreet, Morris, Mixon, Lanier, Mathews, Thomas, and Connor received letters.

Arte Overstreet was elected Captain for 1941 and Danny Connor Alternate Captain.

The 1940 Savannah High School R. O. T. C. Rifle Team had a very successful season. The team placed tenth out of the thirty-three schools in the Fourth Corps Area Rifle matches. This brought an invitation to the National Intercolliegiate Rifle matches.

In the National Hurst Rifle matches the second team, led by Homer Peeples, took the lead from the first team. Peeple's 183 x 200 was high score for the second team, and was barely edged out by the Lindsey Henderson of the First Team with 184 x 200.

The fifteen men on the team are to receive letters and the high ten will be awarded gold and silver medals.

William Sullivan, high point man for the year, was elected Captain of the team.

FOOTBALL TEAM

First row, left to right: Lewis Buckner, Carl Griffin, Joe Farr, Alternate Captain Sibley Durant, Henry Hathaway, Tommy Woods, Mathew Connor, Vernon Martin, Lawrence Conner, Fred Lightsey, Robert Holec. — **Second row,** left to right: Johnny Carellas, Bill Johnston, Winfred Hardin, Fred Cutten, Robert McLaurin, Homer Peeples, Cameron Mixon, Captain Ralston Woods, Gilbert Helmken, Charles Knudson. — **Third row,** left to right: Assistant Coach Townsend, Chester Hutchins, Carl Walker, Gene Griner, Alfred Oliver, Francis Anchors, Dick Richardson, Sidney George, Robert Cosnahan, Austin Wade, George Tabakian, Bill Sweat, Head Coach Harmon.

The football season of 1939 was the laying of ground work for the future. Twenty days after the arrival of a new coaching staff, Savannah High was playing a game. It was necessary during the entire season for the coaches to continually shift line-ups in an effort to get a winning combination.

Although a winning combination was never found, a vast amount of improvement was noted from week to week. Against some of the strongest teams in this section of the nation, Savannah made fine showings. Savannah was the only Southern team to score on the strong Miami Stingarees. This game was an excellent exhibition of offensive football by our boys.

As the season progressed, Richmond was held to a scoreless tie, Lanier to a one touchdown victory, Monroe Aggies to a one point victory, and our arch rival Benedictine to a one touchdown victory.

Savannah had one player, Captain Ralston Woods, Center, who was unanimous choice for the center position on the All G. I. A. A. first team.

Savannah High can look forward to much better things in the future. The foundation is now laid. Savannah High will be placed where she belongs, in First Place and nowhere else. The school slogan is "Savannah High Leads—It can BE Done."

TRACK TEAM

First row, left to right: Melvin Connor, George Tison, Tommy Hudson, Frank Barry, Donald Thigpen, Ed Weeks, — **Second row**, left to right: Bob Fennell (coach), David Daughty, Louis Buckner, Louis Orvin, Bobby Wise, Sidney George.

By MANAGER FRANK BARRY

A very capable and formidable Track Team is a good way to describe the boys of the cinder track representing Savannah High.

The Eliminations were held Tuesday, April 9, and from the looks of things our opponents will have to be plenty good to make a winning score.

A meet is to be held with Richmond Academy of Augusta on Friday, April 12. So far this is our only scheduled meet besides the G. I. A. A. tournament to be held in Atlanta on May 11-12.

Last year the team had meets with Columbus, Richmond, Jacksonville, and participated in the Duke University Invitation Tournament and G. I. A. A. Tournament in which they placed fifth.

Failure to attend the Duke Relays this year is due to financial troubles.

Most of last years letter men have returned. They are: Captain Mel Conner, G. I. A. A. mile record holder, Sidney George, Eugene Clark, "Dope" Doughty, Crosby Price, Louis Buckner, and Earl Carter. Other team members are: Bob McBride, Joe Lynch, Billy Carroll, Bill Dykes, Ed Weeks, Cohen, Edward Horovitz, and Frank Barry (Manager).

BOYS BASKETBALL TEAM

First row, left to right: Tom Laird (manager), Charlie Chappas, Harry Eubanks, Robbie McLaurin, Bill Palmer, Tom Adams. — **Second row**, left to right: Billy Young, "Ace" Hathaway, David Lang, "Pinky" Townsend (coach), Herbie Bergman, Bobby Blake, Harley Mizell.

Savannah High had a very fine basketball season. After the regular season's play of fifteen wins and four losses, our team went to the semi-finals of the annual G. I. A. A. tournament winning the third place trophy in the final nights' competition.

The only team to win more than one game from our boys was the strong Lanier High Poets of Macon, G. I. A. A. champions.

Savannah placed three men on the All-G. I. A. A. selections. These boys were Herbie Bergman, First team, and Charles Knudson and Harry Eubanks, Second team.

Coach Townsend was very highly pleased with the spirit and play of his team. As in all other sports, Coach Townsend says that he will not be satisfied until he has Savannah High in first place and keeps her there.

With the spirit and determination showed by this team, it looks as if Savannah High is well on her way to greater things.

Remember, "Savannah High Leads—It Can Be Done."

GOLF TEAM

The golf team has played one match this year with Richmond Academy at the Municipal Golf Course. The match was won by a score of 16½ to 2½ in favor of our team. Our team made a good showing in the annual Griffin Invitational Tournament in spite of the loss of the captain and number one man, who was doing oratorical work. Eddie Bright, number two man, won the individual prize and the team placed third in the tournament. Having one of the best teams in years, since the days of Henry Linder and Charles Sutlive, the team expects to win the All-G. I. A. A. this year. The team this year consist of Chester Warner, captain and number one man, Eddie Bright, number 2, Ellison Council, number 3, and Robert MacLaurin, number 4.

The results were as follows: 5 bouts to 4 in favor of S. H. S. at University of Georgia. 5 bouts to 4 in favor of Emory at Oxford. 5 bouts to 4 in favor of Georgia Tech, and 6 bouts to 3 in favor of Boy's High. On April 12, we are to have a 9 bout match here with Boy's High and S. H. S. is out to get revenge. In 1941 we expect to play at least 6 matches. We have had invitations from University of North Carolina and an Fencing Academy in New Orleans.

CLASS POEM (JUNE, 1940)

THE OLD AND THE NEW

Come gather around me, and you will soon hear
Of some star-eyed young grad'ates in '40, leap year.
Their pranks are so many—their woes oh, so loud
But they're wonderful comrades, and gloriously proud.
Come closer, dear people, I'll whisper to you
A secret—(They're all a bit old-fashion, too)
They glory in honor held high in regard
And from promised duty they never retard.
I tell you I've seen them do many kind deeds
Tho they scoff and deny that they've helped those in need.
Remember the dances each Thursday at four?
And all of the "Bluebloods" around the front door?
Then there were the socials that made us so gay.
The Warden got married, oh happiest day!
The basketball team went on a rampage
That's all not so new—times haven't changed.
I'll bet in the days that we now call "old"
Our parents were more-so than we, awfully bold!
I'll warrant Dad kissed Mom goodnight at the door.
And Granddad played poker till late, on the floor.
They probably played hookey, and skipped History six;
And when caught by the warden, got 40 good licks.
I'll venture to say that they crammed for exams
And when the reports came—they sho' had to lam
Well, the old and the new aren't so very far apart;
So we're quite bound together by similar hearts
They see within us themselves from the start
And laugh in remembrance when we think we're smart;
So here's to the new; and to heck with the old
And here's to the forties, so gay and so bold—
And here's to Confucius who "say" with glee,
"Man happy—if wise, he will leave future be!"

JEAN JORDAN.

HOPE

Into every world of darkness
There steals a shaft of light
Shining thru each crevice
Pure as a star in the night.

The luminous glow from its gleaming
Stirs hidden shadows to flee
Lifting your burden of despairing
Leaving a heart light and free.

Each tiny ray bears a blessing
From God to man on earth,
The fulfillment of holy promise,
A gift of heavenly worth.

Hope is the gift He has given,
Powerful, intanglible within
The soul of each true believer
Our relief from toil and sin.

KATHRYN HENDRICKS.
